a. 2019 Budget.

Approve the amended 2019 budget for St. Timothy's Episcopal Church, as submitted by the Treasurer and Finance Committee.

MOTION: Accept the 2019 budget as outlined. By Ed L./2nd Dick F. **PASSED** with no vote against.

b. Estate Donations

Recommend designating Miller (\$23,709) and Dent (about \$7,200) estate donations to St. Timothy's endowment fund.

- Neal discussed that this was the intent by the individuals when the paperwork was signed.
- The \$\$ were distributed by the estates to St. Timothy's per the individuals' wishes.
- Per Ed: Both families were part of the Legacy Society. He remarked, "In future, we need to be careful to know the wishes of individuals regarding donations."

MOTION: Designate the noted estate donations to the St. Timothy's endowment fund. By Kari D./2nd Alison H. **PASSED** with no vote against.

c. 2018 Net Income

At the December 2018 vestry meeting, the Vestry approved moving all 2018 net income to the long-term maintenance account. Neal recommends a change to instead move:

\$24,100.00 to a new Pledge Reserve account

\$23,709.00 to the Endowment account

\$ 1,878.61 to Maintenance Reserve account

- Per Neal: The change is being proposed due to the anticipated shortfall in pledge income for 2019. The \$24K to the new Pledge Reserve account will address the shortfall in the operating budget.
- Per Neal: Moving the \$\$ to 2019 will also result in it not being counted as 2018 income and hence we will see that impact in the 2021 Diocesan Assessment.

MOTION: Accept the revised allocation for moving the 2018 net income. By Kari D./2nd Alison H. **PASSED** with no vote against.

d. Outreach – Date for FOTH 2019 – Saturday, May 18, 2019

MOTION: Approve the schedule for FOTH 2019. By Kari D./2nd Tom L. **PASSED** with no vote against.

6. Discussion Items

a. Discussion of items in the Rector's Annual Report – Pastor Todd

1. Grow St. Timothy's spiritually and numerically

Evangelism is key to our growth and getting more people in the seats. We want growth through intentional marketing. Build on such things as Invite, Welcome, Connect; inviting people is important then connecting by deepening our spirituality and programs.

- Per Pastor Todd: Currently, the average newcomer is in their 60's
- Per Linda C.: Knowing and focusing on "What people are looking for ..."
- Per Mike Olden: Suggest a forum to understand what they want and encourage organic growth.

2. Further embed St. Timothy's into the larger San Ramon Valley area

Ambassadors are a low risk approach. Recruit 2-4 people to the position – Wally De Young and Leslie Lucas are already onboard to be Ambassadors.

OBJECTIVE

- + Connect with Community Leaders and build on our embedded relationships
- + High School youth focus on Service, Service, Service

IDEAS/COMMENTARY

- Per Mike Olden: We need to understand "How to engage and sustain High School youth"
- Per Jim C.: Rotary has a Saturday program for helping the elderly we could connect to
- Per Todd: Mark Spaulding organizes periodic trips to Mexico to help build houses in the Tijuana area
- Per Alison H.: Broad spirituality what do they want
- Per Lisa P.: Expand on fellowship
- Per Mike Olden: A clear message on Christianity to reach the community
- Per Pastor Todd: They may not have a religious vocabulary. We need to provide something to enrich kids not interested in religion – focus on things they can get involved in (Service, Service, Service). A message that "sizzles".
- Per Nancy A.: They want to know the impact they are having
- Per Linda C.: They want to be empowered
- Per Pastor Todd: Where is our passion ...
- Per Nancy A.: Look at the checkbook and where our money is going. Our \$\$ needs to align to our mission

3. Facility upkeep and future capital campaign

We need to discern a compelling message. We need \$100,000 per year to maintain our campus; that is approximately 25 new pledging families per year.

- Per Ed L.: We have a great 5 acre campus and need to maintain it
- Per Dick F.: Look at fund-raising for the campus maintenance

4. Rector's Personal Goal

Participation in Missional Leadership Cohort – selected out of 100's of other clergy. It will enable renewal of mind and facilitate personal growth that will be funneled into achieving the parish goals.

b. Question from Children/Youth Report - Safe place to store pictures - Cathy Hager

Is there a safe place to store pictures? Part of my ministry is to take pictures to document what our kids do and capture moments in the sanctuary and events. Right now they live on my phone. We do have to be careful about publishing, but if we had permission, we could use select pictures to show that we really do have kids attending and loving our service.

- Per Cathy: She has numerous pictures on her mobile phone which represent candid views of
 youth in our services and events. She would like to ensure that these are offloaded to a safe
 place for potential future use in advertising.
- Per Mike Olden: There are several options for repositories for photographs which are password protected.
- Per Cathy: Some individuals do not want their pictures on the internet.
- Per Pastor Todd: This should be a future action for Administration and Technology commissioner.

ACTION: Cathy and Mike to derive a plan of action to address photograph storage for discussion by vestry.

2019 Annual Meeting- Rector's Report

It has been a very good year. We have found our groove together. In 2018 the biggest community experience was the service schedule change. Based on your feedback, we built a schedule that serves us pretty well. It's not perfect; it will never be perfect.

Because of the several town halls, we placed fellowship between the 8:30 and 10am service. Fellowship is as strong as ever. One of the *expected* consequences was that our adult formation attendance went down. As we move forward, I want to make sure education remains part of a common life.

I will finish Revelation in the spring 2019 semester. Starting in the fall of 2019, we're going to offer more periodic/ topically based education on Sunday morning. For example, we may do a multi-week scripture study about the theology of serving. This would be coupled with children's Sunday School that loosely tracks those same themes. It won't be every single Sunday.

Worship side note --as we grow, we might add a Sunday evening worship experience in 2019 or 2020 in Saint Timothy's sanctuary. This is an area on ongoing discernment and is nowhere close to a fait accompli.

Three Church Goals for 2019

1. Grow St. Timothy's spiritually and numerically

If we focus our eyes on God and continue to invest in our lives together, we can't go wrong. I know that as God renews our minds and hearts, we will naturally reach out to others and continue to make St. Timothy's an oasis of healing. By focusing on the Holy Spirit, we will be more attractive to people who will make St. Timothy's their new church home.

2. Further embed St. Timothy's into the larger San Ramon Valley area

One clergy I really respect challenged a group of priests with a simple question: "if your church were to close tomorrow, who would care?" (besides church members). Let's listen our way into more embedded relationships with God and the world

One way to embed, Ambassadors

I want us to embark on a listening tour. I'm working with a few good people to help St. Timothy's listen for how to deepen our connections with everyone in the San Ramon Valley.

The idea is pretty simple, but the execution will involve a lot of work. It takes a person with particular gifts. They will call their friends and even make cold calls. Three or four people will be using a basic script for a conversation starter and then dig deeper. For example, a local small business person might agree to meet with our ambassador. The ambassador starts with:

I don't want to ask you for money.

I am not trying to get you to come to church.

I wonder how St. Timothy's can partner with you to build a strong community.

I will personally compile all of the ambassador feedback and will blog about the content of these ambassadors' conversations. We as a community of faith can think about where God may be leading us to be a blessing. You'll get to see the program unfolding online. You are part of the conversation.

I **don't** think this program is just one more outreach opportunity. **It is** a different way of listening. Instead of us trying to create one more good Samaritan project, we will listen and join in the work of God right in our backyard. I'm not sure what the outcome will be, but we're leading with listening.

3. Facility upkeep and future capital campaign

A. Reserve study and maintenance

You may or may not be aware of how much work has gone into St. Timothy's campus. For the last two years a group of dedicated members have worked on a "reserve study", with the help of a specialized consulting firm.

As a result of this work, we have an excellent document. We know (with laser precision) our long-term maintenance costs. We know how much it will cost to keep St. Timothy's from going into a "deferred maintenance" hole. In the near term, the price tag for this is about \$100,000 a year for the next five years.

Beginning later this year, we will likely be asking for your help. We have some maintenance reserves, but they will likely run out by the end of 2019 or mid-2020.

Facility Side note - Screens in church

Many of you have responded positively towards the screens in church. I'm aware that's not 100% approval. Personally, I have really enjoyed a new way of speaking to you with media. The screens will continue to be part of our worship experience. During *weddings and funerals*, the screen/projector setup will come down. We installed these screens with the ability for them to come down easily (no tools required).

B. Capital Campaign

So, consider this fair warning! By the time we get to mid to late summer, we will be asking for extra help. I know it does not have a lot of sizzle to ask for money to keep the building afloat, but that's exactly what we need. But...that's not all!

C. Mission is also part of the campaign

I would like mission to be part of this campaign. I have a dream that St. Timothy's will reach deeply into the whole San Ramon Valley. Did you know that by the time we get to 2020, San Ramon will be 2 1/2 times the size of Danville and Episcopalians have no church in the area?

Let's dream with our money about how we can increase Episcopalian impact in this incredibly vital area. Bottom line: we will need your money to help the building stay well kept, as well as to reach out into the world.

1 Personal Goal

I have been selected to take part in a leadership development group for Episcopalian clergy. It is called the Missional Leadership Cohort. For more info go here https://www.luthersem.edu/lifelong_learning/kairos/courses/missional_leadership_cohort.aspx I am thrilled to have been chosen. This work over the next 18 months will help me clarify my ministry values *and* enhance my ability help us all at St. Timothy's achieve our three goals outlined above.

Conclusion

Let's keep seeking the renewal of our minds in Christ as we move forward with hope, faith, and love.

Todd

ST. TIMOTHY'S CHILDREN AND YOUTH COMMISSION REPORT

January 2019

During the last weeks of Advent and into Epiphany, our youth told the Christmas story. They learned what it means to share, to get excited, and how much God loves us. Kathy Wills created beautiful artwork for pillowcases that everyone got at the December 16th afternoon event.

Action/Discussion Item: Is there a safe place to store pictures? Part of my ministry is to take pictures to document what our kids do and capture moments in the sanctuary and events. Right now, they live on my phone. We do have to be careful about publishing, but if we had permission, we could use select pictures to show that we really do have kids attending and loving our service.

FELLOWSHIP COMMISSION JANUARY 2019 Jim Coleman - Vestry Commissioner

Matthew 28:19-20 Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age.

Invitation is not only about inviting people into a relationship with you and others in your congregation, but rather it is about inviting them into a relationship with God through Jesus.

People need a language with which to talk about their faith. We need to help them "spell Episcopalian with the alphabet of their own soul." -Roy Oswald, Speed B. Leas. The Inviting Church (Alban Institute, 1987

INvite-Activities

Invite Processes - Need to have a focus on how to do this part of the process and a solid gospel setting for this work. This is not solely clergy responsibility. This is a parish responsibility and part of our Baptismal Covenant. It is perhaps a clergy responsibility to train and lead all the Saint Timothy's flock in the process of Evangelism, but doing the invite work it is not theirs alone. Yes, Invite is Evangelism. It should be a shared joy. While we do much good work in many communities, we do too little to make the teachings of Jesus alive for the people's lives of our own very local community. For whatever reason most people have the impression that God is not relevant to their lives today. If there were anything in which I feel most disappointed about in my time as Vestry Fellowship Commissioner, it is that "Invite," Evangelism, is and seems to be a forgotten call. Our light at Saint Timothy's remains mostly under a bushel in our community by our own choices of silence. I hope that the next commissioner, will attend National Episcopal trainings like the Evangelism Matters Conference or an Invite Welcome Connect Summit June 12-14, 2019. to be more effective in Parish leadership that I have been in this area. I will continue to work in this area during the following years.

Here is a practical definition collectively crafted by members of the Presiding Bishop's Evangelism Initiatives Team, the Task Force for Leveraging Social Media for Evangelism, and many more partners: We seek, name and celebrate Jesus' loving presence in the stories of all people – then invite everyone to #EpiscopalEvangelism

.WELCOME ACTIVITIES THE

Welcome Processes – This is the most effective process that we do at Saint Tim's. It could use a heavy dose of computer/web integration for tracking and follow-up. However, it is more important to have a good process than one ineptly integrated into the fabric of the community. Welcome is the personal process of taking that uncomfortable edge off those people who arrive in some way at our door. It is a time to listen to their life story, not to overwhelm them about Saint Tim's life. Talking about Saint Timothy's is not the main purpose at that time. It is a time to listen and react as a messenger of God's love in response to their needs in their life. The group of Greeters is a great team of people and has a wellorganized process for following up on people and coordinating the resources with clergy. I wish it were more defined and described so the follow-up tasks could be more easily shared. The group of Greeters need refresher training and review of the process and purpose. They can also use a big dose of younger people.

Greeters Committee - Meetings have been moved to the first Thursday of every month at 11:30. They are following 9 people, some of which are quite interested in Saint Timothy's. They scheduled 3 lay calls by members or other visitors. Susan inquired about 3 other

individuals not of the greeter's screen. We have a significant number of church shoppers, and they have had nice conversations with Todd+ and the assigned Greeter.

Greeter information is shared with clergy who are also making independent follow-ups and at the monthly meetings so others who may have had contact add to that experience of welcoming an individual. Virginia Woy and Cathy Morris maintain a unique structure of keeping track of visitors and, while hand done, Virginia can go back years in tracking visitors. The Greeters Committee requested additional book marks by Greg Skuce and more of the Parish logo pens which were delivered before the end of the year.

Coffee hour between services fails miserably at providing a time for welcome 10:00AM visitors. I visited with an individual form another denomination and their coffee hour between services does not serve them well either. Visitors arrive just before the 10:00 service and there is no arranged location or forum for them afterwards. A separate committee was being formed with Todd+ and members from various groups to review the coffee hour purpose and structure but never got off the ground. Attendance at coffee hour had been about 50 between services but has been falling rapidly in the last several weeks. Basically, there are two shifts attending coffee hour. A steady group of about 12 from the 8:30 service visit for about 30 minutes and about 9:50AM some of the 10:00AM congregation arrive. They are mothers with children seeking a sweet and a juice before the service as bribery and some regular adult parishioners seeking contact with other friends. There is no trained Greeter present at the coffee hour. I am not sure why coffee hour numbers are low.

Coffee hour administration is a struggle to get individuals to take responsibility for the refreshments setup and mostly clean up. Jacque Chiavini has contacted the former 7:30 teams and many have agreed to host coffee hour. The latest of which was held December 11 in Grace House. It is unfortunate that this ministry is not embraced by more people as many hands make light the load.

Jackie Chiavini has indicated that she will continue to set up the coffee hour tables. Vestry members are expected to be **lead** hosts two coffee hours per year. Please sign up using Signup Genius using the Parish Website:

Connect Activities

Connect - This process at Saint Timothy's is, unfortunately, totally without definition. Connect is the process of finding where in Saint Timothy's an individual's spiritual gifts can best blossom and grow or where their spiritual needs can be met. It is a process of connecting their Spiritual Gifts to God's work at Saint Timothy's. Everyone is different and has different gifts.

New Episcopal Women NEW has held the 2nd annual Teddy Bear Tea December 8. The 26 children attending had a great time eating, playing games, and of course visiting Santa. **Foyer Group** signups have begun and are being led by Cathy Morris. I have no report on how this new session is going. It would be nice to have 4 dinners turn over quicker so the groups can accommodate changes more quickly. Perhaps having a common structure for discussion would help provide a connect process for people to find common ministries. It needs to have an identity beyond just being a gathering of friends.

Men's Group – Dick Firth las led a team of Steve Bried, Dick Firth, Stephen Hedden, Dave Kutrosky, Henry Thatcher, and Herb Wilson keep this casual ministry going approximately quarterly

Senior Ministry – no activity reported. A discernment for a new leader is progressing slowly. Patti Alexanderson has requested that we start simple tea time type program where seniors can talk together casually.

Funeral Activities – There were no funerals in December! Yea!

Training 📤

I conducted a training of the Greeters committee attendees at the January 3, 2019 meeting. The Greeters familiarized themselves with the contents of the Greeter's Bags and how their role fits into the process of building Faith in the invite Welcome Connect Process.

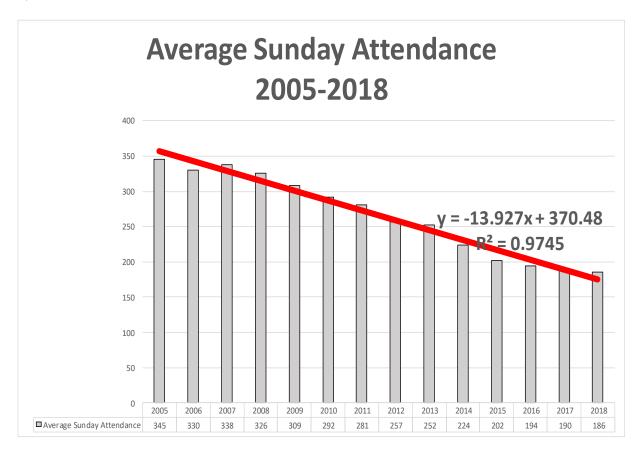

Budgets

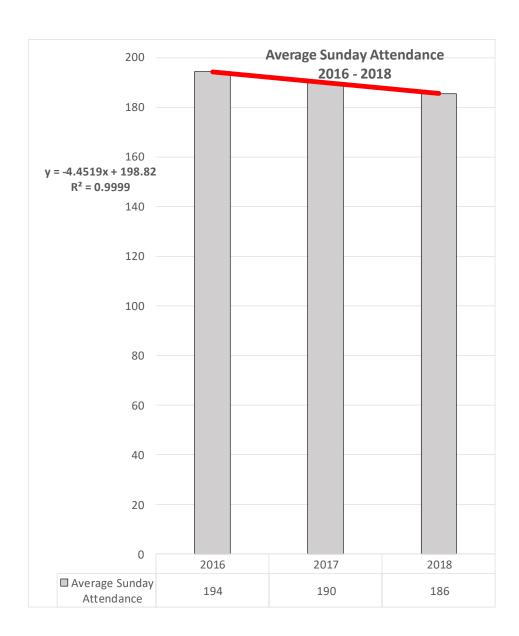

My budget request was largely denied in the December meeting. I was extremely disappointed that the budget priorities are much more focused upon maintaining the status quo than growing Spirit of Christ's Love within the community. My budget request for whoever follows me was to provide them, Pastor Todd and Rev. Susan resources to do training and inspiration of the existing Parishioners to find their callings and those of others or to fund new ministries to spread how we are the Episcopal Branch of the Jesus movement as expressed by PB Curry.

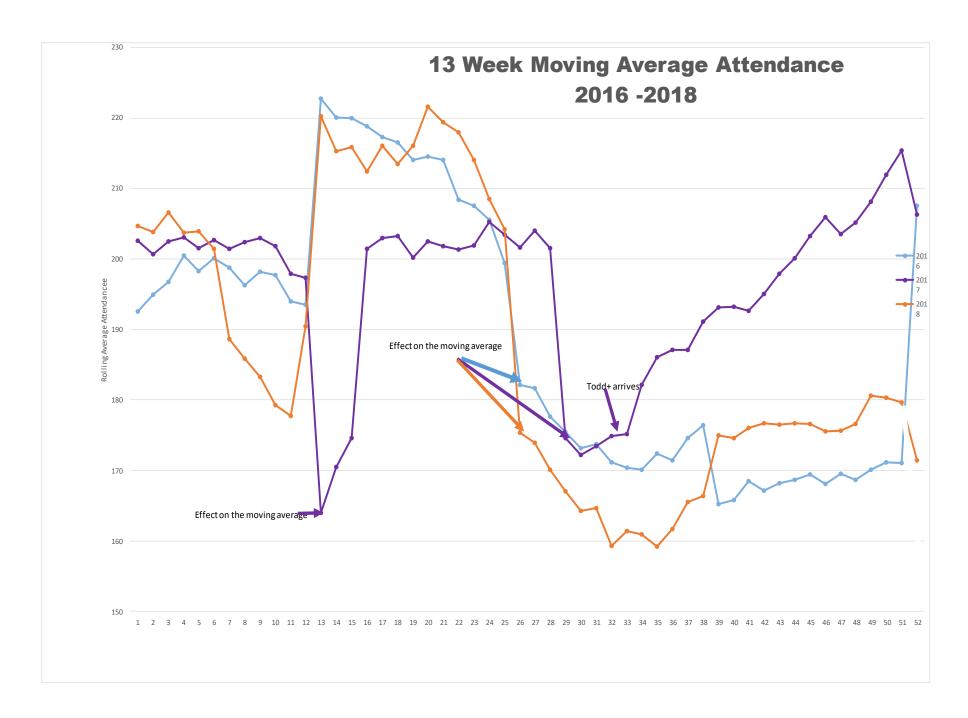

Addendum 1

Since it is the end of the year, I have accumulated data for the revered ASA (Average Sunday Attendance) as defined by ECUSA) numbers for this year and a comparison to the previous years back to 2005 and a look at the last three years. Since 2005 the decline in ASA has been close to 14 people per year, a linear fit that almost completely explained by time alone. I also present data for the last three years that shows a decline, also with a very good linear fit, where the decline is currently just 4 people per year. It is important to note that in 2018 we eliminated one service and the attendant staff (one choir director, acolytes, and clergy) that is counted in the attendance data. While Darita has brought in some paid section leaders, I would expect that this is a form of Evangelism as well as an amazing improvement in the quality of music. Darita has done more Evangelism with his music program than the whole parish has done in the 32 years I have been here. Congratulations Darita for a great side benefit of a music program!

I have also presented the three-year thirteen week rolling average numbers for the year. Note that only 52 Sundays are presented but that 2017 was a 53 Sunday year, I omitted the week 53 of 2017 for convenience the ASA was 199 at that point. It is also important to note that 2016 had Christmas Eve on a Sunday so those numbers were spiked like that Easter number every year. These numbers show the effect of the loss of one service and the effect of a "honeymoon" period expected for a new rector.

Saint Timothy's roof

As you may know or may have observed, we had some work done on our church roof recently. Let me give you a brief history. We started this project a couple of years ago when we noticed some leaks. We found out that to replace the entire roof was going to be quite expensive and would reduce our reserves substantially. We decided to hire an architect to work with a roofer that was referred to us by the diocese.

These two contractors, as well as several people from Saint Tim's, went up onto the roof to see if there were other alternatives. We came up with one that all of us agreed was worth a try. We replaced the flat area that surrounds our roof and installed new material that is more suited for a flat roof (that was where the leaks appeared). Between our roofer and our architect there was consensus that our peaked roof appeared to be in decent condition and could possibly last 5-10 years (NO GUARANTY). The work took approximately 15 days and there was quite a bit of wood rot.

The cost was approximately 25% of replacing the roof. Please remember we did <u>NOT</u> replace the roof, so some time in the future we will need to complete the job. Our repairs should not need replacing, so our overall cost at that time should be minus the work on the flat roof. We have four buildings and a walkway that all have roofs that are either near or at their time to be replaced. We all need to be aware of this and begin to make plans to handle these expenses.

Pastoral Care Commission – 2018

Pastoral Care was in a slump for a period of time, and former Vestry member, Scott Sampson saw the need and started the Pastoral Care Commission...Thank you Scott for your vision in meeting that need.

This past year it was decided to have a Liaison outside Vestry but reporting to Vestry. Pastor Todd asked me to be that person. This group with Pastor Susan our Clergy guide and me as titular head, meets on an ad hoc basis. Those on the committee are parishioners who head ministries with pastoral care concerns, such as LEVs. We do our best to meet the Pastoral Care needs that we are presented with and honoring those who prefer to be left alone. Pastor Susan is a "Pastoral Care Warrior" and anyone who has had her ministry knows this. We are fortunate to have 2 hardworking and dedicated clergy, and this committee works in partnership to support their efforts.

I would like to take time to acknowledge those who quietly, behind the scenes minister to one another in time of need. I am aware that this goes on informally, and frankly I believe that this is one of St. Timothy's strengths.

Respectfully submitted,

Patti Farris
